### Club Members

if you did not have a chance to pay your dues, we are extending until the end of January without the late charge. You can drop off at the club during open hours or mail.

### Managers Message

I would like to again thank everyone who continue to support the club through all these crazy times. We would like to get back to normal as soon as possible. We all know that it is frustrating to wear masks daily but we ask that you please comply, not only for the staff and other members, but for yourselves. I want to see everyone happy and healthy in 2021.

*Sheila*
