**if you did not have a chance to pay your dues, we are extending until the end of January without the late charge. You can drop off at the club during open hours or mail.**

**Managers Message**

As the world tries to return to some normalcy, I again would like to thank everyone who has been coming into the club and supporting everything we are doing. You will notice some changes to meals for 2022 and some new events. If you have any questions about them please do not hesitate to ask.

Also I ask that everyone please give the bartenders at least five minutes to switch over during shift change. Please hold off on asking for drinks, tickets, etc. This will ensure that they are properly switched over and no issues with their cash drawers and pull tab money.

*Sheila*
