A special thank you to a couple of guys who have taken some time to help the club and make it look great. You don't want your names mentioned and we won't, but we need to say what a great job on the front door siding and sign. For making this club look great outside by cleaning up the weeds, the old tables behind the garage, and all the other little things you do to make sure the club looks good.

THANK YOU, THANK YOU, THANK YOU!!
